

JOB HUNTERS: VIRTUAL NETWORKING EVENT

Job Hunters by Lanakila Pacific is a platform dedicated to providing job and career resources for adults with autism. Virtual Network participants can connect over employment-related topics with fellow travelers and professionals on the road to employment success.

If you are currently employed, looking to make a change in your career, or you are getting ready to enter the workforce, join this series to share resources and perspectives.

Discussions are facilitated around the needs of adults with autism, but all are welcome to join.

Visit <https://www.lanakilapacific.org/jobhunters/> for more information about upcoming meetings!
